

## Terms of use for materials

---

### We encourage you to:

- **Request** – email us ([regulatory@catalyst.harvard.edu](mailto:regulatory@catalyst.harvard.edu)) and request the materials
- **Share** – copy, distribute, and transmit the work
- **Adapt** – adapt the work to suit your needs
- **Contribute** – share your sample informed consent language

### Under the following conditions:

- **Attribution:** We encourage the broad dissemination of this tool. In freely using the materials or when citing this tool, we require that you acknowledge the developers of the materials (see citation language below).

### With the understanding that:

- **We might contact you:** We are interested in gathering information regarding who is using the materials and how they are using it. We may contact you by email to solicit information on how you have used the materials, or to request collaborations or input on future activities
- **When reusing or distributing, make clear the above terms:** For any reuse or distribution, you must make clear to others the terms of this work. The best way to do this is to include a link to the web page containing the materials.
- **When adapting:** Please share with us improvements to the tool so we may learn and improve our materials as well.

## Language

When using, adopting, or adapting our brochures, please make sure to use the following citation language that represents all the institutions that have collaborated on the development of the materials over the years:

**Citation language (for written materials):** *This material is the work of the New England Research Subject Advocacy Program, with contributions from member institutions' affiliated universities and academic healthcare centers. This work was conducted with support from the National Center for Advancing Translational Sciences, National Institutes of Health, through: Boston University Clinical and Translational Science Institute, under award number 1UL1TR001430; the Dartmouth Clinical and Translational Science Institute, under award number UL1TR001086; Harvard Catalyst | The Harvard Clinical and Translational Science Center, under award number 8UL1TR000170-05; Tufts Clinical and Translational Science Institute, under award number UL1TR001064; UMass Center for Clinical and Translational Science, under award number UL1-TR001453; and the Yale Center for Clinical Investigation, under award number UL1TR000142. Its contents are solely the responsibility of the authors and do not necessarily represent the official views of the National Institutes of Health.*

**Shortened citation language (included in the brochures):** *This material is the work of the New England Research Subject Advocacy Group, with contributions from the affiliated universities and academic healthcare centers of member institutions. For more information see: <http://catalyst.harvard.edu/regulatory/language.pdf>.*
