Symposium Sponsored by STRIPED & Harvard Catalyst:

Reimagining the Frontier of Public Health Approaches to Eating Disorders Prevention: Transdisciplinary, Translational, Transformative

OVERVIEW OF PROGRAM AGENDA

MONDAY, APRIL 30, 2018
7:30AM – 4:30PM

JOSEPH B. MARTIN CONFERENCE CENTER
HARVARD MEDICAL SCHOOL
77 AVENUE LOUIS PASTEUR, BOSTON, MA 02115

The symposium will feature high-profile keynotes, lightning talks on eating disorders prevention topics, and innovative field demonstrations from researchers and practitioners from across sectors and disciplines

All audiences welcome

7:30 – 8:00AM  Event registration, light breakfast

8:00 – 8:15AM  Welcome & vision, goals for symposium
   o S. Bryn Austin, Director, STRIPED, Harvard T.H. Chan School of Public Health and Boston Children’s Hospital
   o Senator Elizabeth Warren recorded video address

8:15 – 9:15AM  Expert Panel: Weight stigma and discrimination: Research, policy, and social justice perspectives
   o Moderator: Kirsten Davison, Director, Program in Public Health Nutrition, Harvard T.H. Chan School of Public Health
   o Kendrin Sonneville, Department of Nutritional Sciences, University of Michigan School of Public Health
      ▪ Effects of body dissatisfaction and weight stigma on eating disorders symptoms, nutritional behaviors, and weight trajectories
   o Josiemen Mattei, Department of Nutrition, Harvard T.H. Chan School of Public Health
      ▪ Effects of weight stigma and discrimination on stress pathophysiology in marginalized populations
   o Iyiola Solanke, University of Leeds, School of Law
      ▪ Legal theory and analysis of anti-weight-discrimination law and social justice in multiple national legal contexts
   o Lisa Du Breuil, Massachusetts General Hospital
      ▪ Community advocacy, social justice, and diversity training on the issues of weight stigma and discrimination
9:20 – 10:20AM  **Expert Panel**: Strategic science and public health strategies for prevention: Decision sciences, macro policy research, and business innovations
- **Moderator**: Howard Koh, Harvey V. Fineberg Professor of the Practice of Public Health Leadership, Harvard T.H. Chan School of Public Health
- **Christina Roberto**, Department of Medical Ethics and Health Policy, University of Pennsylvania Perelman School of Medicine
  - Strategic science in nutritional public health and eating disorders
- **Davene Wright**, Department of Pediatrics, University of Washington and Seattle Children’s Hospital
  - Comparative cost-effectiveness of primary and secondary eating disorders prevention strategies
- **Rachel Rodgers**, Bouvé College of Health Sciences, Northeastern University
  - Evaluation of macro-level influences including mass media, fashion industry, and food industry and evaluation of policy interventions to reduce consumer risk
- **Troyen Brennan**, Chief Medical Officer, CVS Health
  - Business perspectives on cross-sector initiatives to promote public health

10:25 – 10:45AM  **Keynote**: The Whole School, Whole Community, Whole Child program: A blueprint for integrating health-promoting practices in the school setting
- **Sarah Sliwa**, Health Scientist, School Health Branch, Division of Population Health, Centers for Disease Control and Prevention

10:45 – 11:00AM  **BREAK**

11:00 – 12:00PM  **Expert Panel**: Early detection, early intervention: Innovations from the field for large-scale reach for underserved communities
- **Moderator**: Kamryn Eddy, Co-director, Eating Disorders Clinical and Research Program, Massachusetts General Hospital
  - U.S. Veterans Healthcare System’s eating disorders screening in primary care for veterans
- **John Straus**, Massachusetts Child Psychiatry Access Program
  - Mental health screening and treatment access in primary care settings serving Massachusetts youth
- **Therese Waterhous**, Willamette Nutrition Source, Oregon
  - Oregon Medicaid program to train primary care providers in accountable care organizations to screen for eating disorders
- **Zafra Cooper**, Department of Psychiatry, Yale School of Medicine
  - Closing the early intervention gap: Extending early intervention to underserved populations

12:05 – 12:25PM  **Keynote**: Scalable mental health early detection and early intervention in low-resource settings and role of service, equity, and social justice in shaping research agendas for prevention
- Vikram Patel, Pershing Square Professor of Global Health, Department of Global Health and Social Medicine, Harvard Medical School

12:25 – 12:45PM

**Pick up tote lunch & take to your assigned break-out sessions. Check your name tag for the location of your session.**

12:45 – 2:45PM

**Hack the Frontier:** Break-out session hack-a-thon with symposium attendees and panelists

**Group A:** Weight Stigma and Discrimination
- **Facilitator:** Allegra Gordon, Division of Adolescent and Young Adult Medicine, Boston Children’s Hospital
  - **Assistant Facilitator:** Katelyn Ferreira, Master of Public Health student, Harvard T.H. Chan School of Public Health

**Group B:** Strategic Science and Public Health Strategies for Prevention
- **Facilitator:** Michael Long, Department of Prevention and Community Health, Milken Institute School of Public Health, George Washington University
  - **Assistant Facilitator:** Rebecca Hucheson, Assistant Director, University of Washington Public Health Capacity Building Center; PhD student, University of Washington School of Public Health

**Group C:** Early Detection, Early Intervention Innovations
*Note: This group will be divided into two subgroups*
- **Facilitator:** Holly Gooding, Division of Adolescent and Young Adult Medicine, Boston Children’s Hospital
  - **Assistant Facilitator:** Breanne Wilhite, Master of Public Health student, Harvard T.H. Chan School of Public Health

- **Facilitator:** Laura Hart, School of Psychology and Public Health, La Trobe University and the Centre for Mental Health, Melbourne School of Population and Global Health, University of Melbourne
  - **Assistant Facilitator:** Alvin Tran, Doctor of Science candidate, Harvard T.H. Chan School of Public Health

2:45 – 3:00PM

**BREAK – Return to main amphitheater**

3:00 – 3:45PM

**Reconvene on the Frontier:** Six teams selected by their peers in the hack-a-thon sessions will present their research proposals to the entire symposium audience. Audience will vote for presentations in the following categories: Most Innovative, Most Community Engagement, and Most Cross-Sector Collaboration.

3:45 – 4:15PM

**Reimagining the Frontier:** Facilitated full audience discussion of insights for new directions, innovations for primary and secondary prevention of eating disorders, opportunities for cross-sector, transdisciplinary collaborations for translational research and practice to reach underserved communities, advance large-scale public health strategies.

4:15 – 4:30PM

**Closing Remarks**
- **S. Bryn Austin**, Director, STRIPED, Harvard T.H. Chan School of Public Health and Boston Children’s Hospital
