Symposium Sponsored by STRIPED & Harvard Catalyst:
Reimagining the Frontier of Public Health Approaches to Eating Disorders
Prevention: Transdisciplinary, Translational, Transformative

OVERVIEW OF PROGRAM AGENDA

MONDAY, APRIL 30, 2018
7:30AM – 5:30PM

JOSEPH B. MARTIN CONFERENCE CENTER
HARVARD MEDICAL SCHOOL
77 AVENUE LOUIS PASTEUR, BOSTON, MA 02115

The symposium will feature high-profile keynotes, lightning talks on eating disorders prevention topics, and innovative field demonstrations from researchers and practitioners from across sectors and disciplines

All audiences welcome

7:30 – 8:00AM  Event registration, light breakfast
8:00 – 8:15AM  Welcome & vision, goals for symposium
    o  S. Bryn Austin, Director, STRIPED, Harvard T.H. Chan School of Public Health and Boston Children’s Hospital
8:15 – 8:40AM  Keynote: Congressional perspectives on role of government and cross-sector collaboration in eating disorders prevention, mental health promotion
8:45 – 9:45AM  Expert Panel: Early detection, early intervention: Innovations from the field for large-scale reach for underserved communities
    o  Moderator: Kamryn Eddy, Co-director, Eating Disorders Clinical and Research Program, Massachusetts General Hospital
    o  Renee Gibbs & Natara Garovoy, Veterans Healthcare System, US Department of Veterans Affairs
        •  U.S. Veterans Healthcare System’s eating disorders screening in primary care for veterans.
    o  John Straus, Massachusetts Child Psychiatry Access Program
        •  Mental health screening and treatment access in primary care settings serving Massachusetts youth.
    o  Therese Waterhous, Willamette Nutrition Source, Oregon
        •  Oregon Medicaid program to train primary care providers in accountable care organizations to screen for eating disorders.
    o  Zafra Cooper, Department of Psychiatry, Yale School of Medicine
        •  Closing the treatment gap: Extending treatment to underserved populations.
9:50 – 10:50AM  **Expert Panel**: Weight stigma and discrimination: Research, policy, and social justice perspectives
- **Moderator**: Kirsten Davison, Director, Program in Public Health Nutrition, Harvard T.H. Chan School of Public Health
- Kendrin Sonneville, Department of Nutritional Sciences, University of Michigan School of Public Health
  - Effects of body dissatisfaction and weight stigma on eating disorders symptoms, nutritional behaviors, and weight trajectories.
- Josiemer Mattei, Department of Nutrition, Harvard T.H. Chan School of Public Health
  - Effects of weight stigma and discrimination on stress pathophysiology in marginalized populations.
- Iyiola Solanke, University of Leeds, School of Law
  - Legal theory and analysis of anti-weight-discrimination law and social justice in multiple national legal contexts.
- Lisa du Breuil, Massachusetts General Hospital
  - Community advocacy, social justice, and diversity training on the issues of weight stigma and discrimination.

10:50 – 11:05AM  **BREAK**

11:05 – 12:05PM  **Expert Panel**: Strategic science and public health strategies for prevention: Decision sciences, macro policy research, and business innovations
- **Moderator**: Howard Koh, Harvey V. Fineberg Professor of the Practice of Public Health Leadership at Harvard T.H. Chan School of Public Health
- Christina Roberto, Department of Medical Ethics and Health Policy, University of Pennsylvania Perelman School of Medicine
  - Strategic science in nutritional public health and eating disorders.
- Davene Wright, Department of Pediatrics, University of Washington and Seattle Children’s Hospital
  - Comparative cost-effectiveness of primary and secondary eating disorders prevention strategies.
- Rachel Rodgers, Bouvé College of Health Sciences, Northeastern University
  - Evaluation of macro-level influences including mass media, fashion industry, and food industry and evaluation of policy interventions to reduce consumer risk.
- Troyen Brennan, Chief Medical Officer, CVS Health
  - Business perspectives on cross-sector (e.g., industry, government, community, academy) initiatives to promote public health.

12:05 – 12:25PM  **Keynote**: Global innovations in low-resource settings for early detection/early intervention and mental health promotion
- Vikram Patel, Department of Global Health and Social Medicine, Harvard Medical School
  - Scalable mental health screening and treatment interventions in low-resource settings and role of service, equity, and social justice in shaping research agendas for prevention.

12:25 – 12:45PM  Pick up tote lunch & take to break-out sessions
12:45 – 2:15PM  Break-out sessions with symposium attendees and panelists

**Group A:** Early Detection, Early Intervention Innovations
- **Moderator:** Holly Gooding, Division of Adolescent and Young Adult Medicine, Boston Children’s Hospital

**Group B:** Weight Stigma and Discrimination
- **Moderator:** Allegra Gordon, Division of Adolescent and Young Adult Medicine, Boston Children’s Hospital

**Group C:** Strategic Science and Public Health Strategies for Prevention
- **Moderator:** Michael Long, Department of Prevention and Community Health, Milken Institute School of Public Health, George Washington University

2:15 – 2:30PM  BREAK

2:30 – 3:30PM  Reconvene in main auditorium from break-out groups for report back and discussion of translational and transdisciplinary research opportunities to engage stakeholders across multiple sectors.

3:30 – 4:15PM  Full audience and panelists discussion of insights for new directions, innovations for primary and secondary prevention of eating disorders, opportunities for cross-sector, transdisciplinary collaborations for translational research and practice to reach underserved communities, advance large-scale public health strategies.

4:15 – 4:30PM  Closing Remarks
- **S. Bryn Austin,** Director, STRIPED, Harvard T.H. Chan School of Public Health and Boston Children’s Hospital

4:30 – 5:30PM  End-of-day networking reception
