## Request for Applications

Please print this page for your records. For questions regarding this application, please contact the C/T Research Academy by E-mail at [CTAcademy@hms.harvard.edu](mailto:CTAcademy@hms.harvard.edu).

The application consists of two parts, each with its own deadline. The application must be completed and submitted in one session as it cannot be saved for later completion. Please be prepared to provide the following information.

### Part One - The Application

- Project Title
- Full name
- Email (Please enter your email address carefully to ensure the email is delivered to the proper inbox.)
- Secondary email (e.g., gmail, hotmail, yahoo)
- Contact phone number
- Primary institution/department
- Faculty/fellowship rank
- Home and work addresses
- Citizenship status
- Summary of the research you propose to pursue while in the program and a statement about who will be your mentor and why you have chosen him/her, to be attached as a PDF (500 words or less)
- Your current NIH Biosketch (new format)

### Part Two - The Endorsement

Please have the following information ready:

- Division chief/department chair's name, email, institution, and department

The individual you list on the endorsement page as your chief/chair will receive an email with a link directing him/her to a secure website where s/he will be prompted to upload an individual letter of recommendation (in PDF format). The endorser will not have access to your application materials.

Once you have submitted your application, you will receive an email confirming that it has been received.

Please note - Proof of citizenship or visa status will be requested at a later date.

Paper copies of the application or any other accompanying documentation will not be accepted. All applications must be submitted no later than 5:00pm on Friday, January 29, 2021, for enrollment in July 2021.

All endorsements must be received by Friday, February 5, 2021, by 5:00pm.

Acceptances will be announced by email in March/April.
