

**BIOGRAPHICAL SKETCH**

Provide the following information for the Senior/key personnel and other significant contributors.  
Follow this format for each person. **DO NOT EXCEED FIVE PAGES.**

NAME: Zhiyong (Joe) Dong

eRA COMMONS USER NAME (credential, e.g., agency login):

POSITION TITLE: Biostatistician II

EDUCATION/TRAINING (*Begin with baccalaureate or other initial professional education, such as nursing, include postdoctoral training and residency training if applicable. Add/delete rows as necessary.*)

| INSTITUTION AND LOCATION                     | DEGREE<br>(if applicable) | Completion Date<br>MM/YYYY | FIELD OF STUDY     |
|--|---------------------------|----------------------------|--------------------|
| University of Memphis, Memphis, TN           | MS                        | 05/2005                    | Applied Statistics |
| Shandong University of Finance and Economics | MA                        | 05/2000                    | Finance            |
| Shandong University of Finance and Economics | BA                        | 07/1997                    | Finance            |

**A. Personal Statement**

My research focuses on statistical methodology on survey data, categorical data analysis, logistic regression, longitudinal analysis and missing data. I collaborate on designing survey questionnaires and programming surveys using RedCap. I also have experience with longitudinal cohort data related to the connection between chronic pain characteristics and functional outcomes, including falls, in an aging population.

**B. Positions and Honors**

Present Biostatistician II, OpenNotes at BIDMC

Prior Statistical Programmer, University of Massachusetts (Boston), Department of Nursing
