

THE HARVARD CLINICAL  
AND TRANSLATIONAL  
SCIENCE CENTER

# Use of IACUC Off-site Assurance Template with non-signatories

A Harvard researcher contracts with a non-signatory institution, company or CRO for PK analysis in mice. The animals will be housed at vendor's off-site facility.

Harvard

- Investigator
- No animals housed at Harvard

Contracts with Vendor

Non-signatory institution, company or CRO

- Services performed at vendor facility
- Animals housed at facility

IACUC Off-site Assurance Template Utilized  
Allows Harvard to rely on IACUC of non-signatory
